Independent Auditors' Report

The Participants and the
Administrative Committee
Foodmaker, Inc. EasySaver Plus Plan:

We have audited the accompanying Statements of Net Assets Available for Plan Benefits of the Foodmaker, Inc. EasySaver Plus Plan (the "Plan") as of December 31, 1993 and 1992, and the related Statements of Changes in Net Assets Available for Plan Benefits for each of the years in the two-year period ended December 31, 1993. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the Plan as of December 31, 1993 and 1992, and the changes in net assets available for plan benefits for each of the years in the two-year period ended December 31, 1993, in conformity with generally accepted accounting principles.

Our audit was made for the purpose of forming an opinion on the basic financial statements taken as a whole. Schedules I and II are presented for purposes of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The fund information in the Statements of Net Assets Available for Plan Benefits and the Statements of Changes in Net Assets Available for Plan Benefits is presented for purposes of additional analysis rather than to present the net assets available for plan benefits and changes in net assets available for plan benefits of each fund. The supplemental schedules and fund information have been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

December 31, 1993 and 1992

1. DESCRIPTION OF THE PLAN

The following brief description of the Foodmaker, Inc. Easy\$aver Plus Plan ("the Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General:

The Plan was established effective April 1, 1983 for the purpose of enabling employees to enhance their long-range financial security through regular savings with the benefit of Foodmaker, Inc. ("the Company") contributions. The benefits provided under the Plan are intended to supplement the retirement benefits provided under other plans sponsored by the Company. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"); however, benefits under the Plan are not eligible for plan termination insurance provided by the Pension Benefit Guaranty Corporation under Title IV of ERISA.

The Company, as plan sponsor, makes contributions to the Plan and pays a portion of the administrative costs. Subject to certain restrictions, the plan sponsor also has the authority and responsibility for the general administration of the Plan. The Chairperson of the Company's Board of Directors is authorized to appoint the members of the Administrative Committee ("the Committee"). The Northern Trust Company, as trustee, has the authority to hold, manage and protect the assets of the Plan in accordance with the provisions of the Plan and a separate Trust Agreement.

The Plan covers substantially all regular administrative and clerical employees of the Company who have completed one year of service, receive regular compensation from a payroll in the United States, and effective January 1, 1988, have attained age 21. Eligible warehouse and distribution employees may participate in the Plan effective January 1, 1991. Eligible maintenance technicians and equipment technicians also may participate in the Plan effective July 1, 1992. Participation by eligible employees is voluntary.

b. Contributions:

Prior to April 1, 1991, participants could elect to have the Company contribute to the Plan any amount from 2% to 8% of their compensation in 1% increments through payroll deductions. This deferral is referred to as a pre-tax deferral, i.e., it is not subject to Federal income tax in the year deferred. Effective April 1, 1991, the maximum amount of their compensation participants may elect to defer is 12%. The Company makes a matching contribution equal to 50% of each participant's pre-tax deferral up to 4% of compensation. Prior to January 1, 1989, participants who deferred at least 4% of compensation could have elected to contribute an additional 1% to 10% of compensation, in 1% increments on an after-tax basis. Beginning January 1, 1989, after-tax contributions could have been made whether or not the participant has elected to make any pre-tax deferrals. Effective April 1, 1991, after-tax contributions may no longer be made to the Plan.

Notes to Financial Statements

December 31, 1993 and 1992
(Continued)

1. DESCRIPTION OF THE PLAN (Continued)

c. Vesting:

Participants have a fully vested interest in their pre-tax deferrals and after-tax contributions plus actual earnings thereon. Company contributions vest at the rate of 25 percent for each year of service by the participant (including service prior to the effective date of the Plan) or upon attainment of age sixty-five, retirement, disability, death or termination of the Plan. The vested amount in a participant's account normally is distributed upon termination of employment. The amount of the Company's contribution that is not vested with respect to any participant is forfeited upon termination of employment, but is restored if the participant becomes an eligible employee within five years after termination. Forfeitures are used to reduce employer contributions.

d. Participant Accounts:

As of December 31, 1993 the trustee maintains six investment funds -- the Ralston Purina Common Stock Fund, the Equity Fund, the Fixed Income Fund, the Growth Fund, the FMI Common Stock Fund and the Dreyfus Bond Fund. With the exception of the Ralston Purina Common Stock Fund, participants may direct their pre-tax deferrals, after-tax and Company matching contributions to be placed in any fund or allocated in multiples of 10% to any combination of these investment funds. The Ralston Purina Common Stock balance is made up of contributions made prior to the change of ownership of Foodmaker, Inc. Earnings derived from the assets of any investment fund are reinvested in the fund to which they relate except that effective September 30, 1987, earnings related to the Ralston Purina Common Stock Fund may, at the discretion of the trustee, be reinvested in the Fixed Income Fund. Participants may elect to transfer all or any multiple of 10% of the value of their accounts among funds at the beginning of any calendar quarter. Pending investment of the assets in an investment fund, the trustee may temporarily make certain short-term investments.

The Plan permits voluntary withdrawals by participants of their after-tax contributions and related earnings no more than once every six months. Because of certain Internal Revenue Service regulations, participants may, with Committee approval, withdraw pre-tax deferrals (exclusive of earnings for withdrawals after December 31, 1989), Company matching contributions (if the participant is fully vested) and related earnings only in the event of a financial hardship. The Plan permits participants to borrow from the investment funds. Loans are subject to such rules and regulations as the Committee may adopt, including but not limited to the following: (1) the amount of the loan is subject to certain limitations, (2) the loan bears interest at prevailing rates and repayments are to be made through payroll deductions, and (3) payment of a processing fee. Amounts loaned to participants are treated as invested in such loans and, to the extent unpaid, do not generate any earnings other than interest thereon.

FOODMAKER, INC. EASY\$AVER PLUS PLAN

Notes to Financial Statements

December 31, 1993 and 1992
(Continued)

2. SUMMARY OF ACCOUNTING POLICIES

The financial statements of the Plan are prepared using the accrual method of accounting.

The Plan's short-term investments consist of money market accounts which are valued at fair value. The Plan's investments in common stocks are stated at fair value. Fair value is determined by quoted market prices. Purchases and sales of securities are recorded on a trade date basis.

The Plan's insurance company contracts are valued at contract value. Contract value represents contributions made under the contract, plus interest at the contract rate, less funds used to purchase annuities and pay certain expenses.

Certain 1992 balances were reclassified to conform to 1993 presentation.

	<u>\$25,053</u>	<u>\$25,524</u>	<u>\$22,191</u>	<u>\$22,303</u>

4. FEDERAL INCOME TAXES

The Internal Revenue Service issued a favorable determination letter related to the Foodmaker, Inc. Easy\$aver Plus Plan on April 1, 1987. This letter gives the Plan a tax exempt status. The Plan was amended and restated thereafter effective January 1, 1988 and January 1, 1989. As a result of the Plan amendments and restatements, the Company is in the process of preparing an application for a favorable determination. The Company knows of no transactions or events which would prevent the restated Plan from obtaining a tax exempt status.
