See "The Company--History." Each of the Drexel Warrants entitled its registered holder to purchase 1.5 shares of Common Stock for \$.926667 per share. All of the Drexel Warrants had been exercised before their expiration on November 2, 1993.

THE COMPANY

The Company owns, operates and franchises Jack In The Box, a chain of fast food restaurants located principally in the western and southwestern United States. In addition, the Company owns an approximate 40% equity interest in Family Restaurants, Inc. ("FRI"), the operator of approximately 350 family restaurants located primarily in California and parts of the Southwest under the Carrows and Coco's formats, and approximately 315 Mexican restaurants nationwide operated under the Chi-Chi's, El Torito and Casa Gallardo names. The Company's principal executive offices are located at 9330 Balboa Avenue, San Diego, California 92123; telephone number (619)571-2121.

History. The Company was incorporated in Delaware in 1971. The Company is the successor to a business that was formed more than 40 years ago when the first Jack In The Box opened in 1950. In April 1988, the Company acquired Chi-Chi's, Inc., a Delaware corporation ("Chi-Chi's"), a chain of full-service, casual Mexican restaurants located primarily in the midwestern and midatlantic United States, which opened its first restaurants in 1978. In December 1988, all outstanding shares of the Company were acquired (the "Acquisition") by a holding company organized at the direction of Gibbons, Green, van Amerongen ("Gibbons Green"), predecessor to Gibbons, Goodwin, van Amerongen ("GGvA"). This holding company was merged with and into the Company in March 1992 as part of a recapitalization plan that included the retiring of a portion of the Company's then existing debt with the net proceeds from the sale of Common Stock and new debt securities of the Company to the public. As a result of the merger, the exercise price and the number of shares of Common Stock issuable upon the exercise of the Warrants were adjusted in accordance with the terms of the agreements governing the Warrants (the "Warrant Agreements"). In January 1994, the Company contributed its entire Chi-Chi's Mexican restaurant chain to FRI in exchange for a 40% equity interest in FRI, a five-year warrant to acquire 111,000 additional shares of FRI at \$240 per share, which would increase its equity interest to 46%, and approximately \$173 million in cash.

CERTAIN INVESTMENT CONSIDERATIONS

Purchasers of the Common Stock offered hereby should consider the specific factors set forth below as well as the other information set forth in this Prospectus.

Leverage and Restrictions Imposed by Lenders

The Company is highly leveraged. At January 23, 1994, on a pro forma basis after giving effect to the sale of Chi-Chi's, the Company had total indebtedness of approximately \$471.2 million and a ratio of consolidated debt to stockholders' equity of approximately 3.5 to 1.

The Company's credit facilities impose significant operating and financial restrictions on the Company. Such restrictions affect, and in many respects significantly limit or prohibit, among other things, the ability of the Company to incur additional indebtedness, pay dividends, issue preferred stock of subsidiaries, repay indebtedness prior to its stated maturity, create liens, sell assets or engage in mergers or acquisitions, make certain capital expenditures and make investments in unrestricted subsidiaries. A failure by the Company to comply with these restrictions could lead to a default under the terms of one or more of its credit facilities. In the event of such default, the holders of such indebtedness could elect to declare all of the funds borrowed pursuant thereto to be due and payable together with accrued and unpaid interest. These restrictions could limit the ability of the Company to effect future financing or otherwise may restrict corporate activities.

The substantial indebtedness of the Company may limit the Company's ability to respond to changing business and economic conditions, insofar as they may affect the financial condition and financing requirements of the Company. The Company believes, however, that, based on current levels of operations and anticipated growth, its cash flow from operations, together with its other available sources of liquidity, will be adequate to make required payments of principal and interest on its debt, to permit anticipated capital expenditures and to fund working capital requirements. If the Company is unable to generate sufficient cash flow from operations in the future, it may be required to refinance all or a portion of its existing debt or to obtain additional financing. There can be no assurance that any such refinancing would be possible or that any additional financing could be obtained on terms that are favorable or acceptable to the Company.

Control by Principal Stockholders

At April 1, 1994, approximately 45.4% and 6.8%, respectively, of the outstanding shares of Common Stock of the Company was held by (i) two investment partnerships of which GGvA is the general partner, The Fulcrum III Limited Partnership and The Second Fulcrum III Limited Partnership (collectively, "Fulcrum III"), and (ii) certain key managers of the Company (the "Management Investors"). Consequently, Fulcrum III may have sufficient voting power, voting in conjunction with the Management Investors, to elect the entire Board of Directors of the Company and, in general, to determine (without the consent of the Company's other stockholders) the outcome of any corporate transaction or other matter submitted to the stockholders for approval, including any merger, consolidation, sale of all or substantially all of the Company's assets or "going private" transaction, and to prevent or cause a change in control of the Company. GGvA renders consulting and financial services to the Company for which it receives annual consulting fees.

Competition

The restaurant industry is highly competitive with respect to price, service, location and food quality, and there are many well-established competitors. Moreover, the restaurant business is often affected by changes in consumer tastes, local, regional and national economic conditions, demographic trends and traffic patterns. In addition, factors such as increases in food, labor and benefits costs and decreases in the availability of experienced management and hourly employees may adversely affect the restaurant industry in general and the Company's restaurants in particular. Any changes in these factors could adversely affect the profitability of the Company.

Potential Conflicts Related To Dual Role

Jack Goodall, the Chairman, Chief Executive Officer and President of the Company, is also expected to spend approximately 50% of his time as Chairman and Chief Executive Officer of FRI, for which services FRI has agreed to reimburse Foodmaker for 50% of Mr. Goodall's salary, benefits and expenses. Because Mr. Goodall serves as the most senior officer of both Foodmaker and FRI, Mr. Goodall may be required to limit his involvement in those areas, if any, where the interests of the Company conflict with those of FRI. The Company does not believe that Mr. Goodall's simultaneous service as an officer of both the Company and FRI will have a material adverse effect on Mr. Goodall's ability to manage the business and operations of the Company. In addition, a committee of independent members of the Company's Board of Directors, initially consisting of Messrs. Gibbons, Alpert, Carter and Payne, has been formed to report to the full Board of Directors concerning any conflict of interest matters that may arise as a result of the relationship of the Company's officers or employees with the FRI organization.

Leonard I. Green, a director of Foodmaker, and Christopher V. Walker, a director of Foodmaker, are general partners of Leonard Green & Partners, L.P., the general partner of Green Equity Investors, L.P. ("GEI"), which owns an 18.4% equity interest in FRI. Mr. Goodall indirectly owns an approximately 0.5% limited partnership interest in GEI. Apollo Advisors, L.P. ("Apollo"), GEI and Foodmaker control FRI pursuant to the terms of a shareholders agreement entered into in connection with the acquisition of FRI.

The purchase price paid by FRI for Chi-Chi's was determined as a result of arm's-length negotiations between representatives of Apollo, with input from representatives of GEI, and representatives of the Company. Messrs. Goodall, Green and Walker did not participate in the portions of meetings of the Company's Board of Directors during which the other directors discussed the acceptability of proposals related to, and they abstained from voting on, the FRI transaction.

As part of the acquisition of FRI, Apollo and GEI received an aggregate of \$7.0 million from FRI as a financial advisory fee for services provided in connection with the acquisition and related transactions. FRI has also agreed to pay Apollo and GEI annual fees of \$1.2 million, in the aggregate, for providing post-acquisition management consulting and financial planning services.

Chi-Chi's purchases various food and other products for use or sale by its restaurants pursuant to a distribution agreement with Foodmaker. The Company believes that the agreement contains terms no less favorable to

Foodmaker than an agreement with an unaffiliated third party.

USE OF PROCEEDS

The approximate net proceeds to the Company from the sale of the Common Stock being offered hereby, assuming all of the Warrants are exercised, is estimated to be \$1,414,371. The Company has no current specific plans for the proceeds. This Offering is being undertaken to satisfy the Company's obligation to the holders of the Warrants to register the Common Stock issuable upon exercise of the Warrants; this Offering is not being made to raise funds. The proceeds have been and the Company anticipates the remaining proceeds will be used for general corporate purposes. However, the Company's Board of Directors may determine that the proceeds may be used for some other purpose if, in its sole discretion, the Board determines such use will be in the Company's best interest.

DETERMINATION OF OFFERING PRICE

The offering price of \$.926667 per share of Common Stock upon the exercise of the warrants is the price at which the registered holders of the Warrants are entitled to purchase shares of the Company's Common Stock under the terms of the Warrant Agreements.

PLAN OF DISTRIBUTION

The 1,584,573 shares of Common Stock being offered hereby, of which 1,305,531 had been issued as of April 22, 1994, will be issued by or on behalf of the Company directly to, or pursuant to appropriate instruction from, the registered holders of the Warrants upon the exercise of the Warrants by such holders.

As adjusted for the Merger, each of the 228,191 Public Warrants issued, of which 135,177 had been exercised as of April 22, 1994, entitles its registered holder to purchase 3 shares of Common Stock for \$.926667 per share, subject to further adjustment under certain circumstances. The Public Warrants may be exercised upon surrender, in person or by mail, to the Company at State Street Bank and Trust Company c/o Boston Financial Data Services, 2 Heritage Drive, 4th Floor, North Quincy, Massachusetts 02171, Attention: Corporate Trust Department, of the certificate or certificates evidencing the Public Warrants to be exercised with the form of election to purchase on the reverse thereof duly filled in and signed, which signature must be guaranteed by a bank or trust company having an office or correspondent in the United States or a broker or dealer which is a member of a registered securities exchange or the National Association of Securities Dealers, Inc., and upon payment of the exercise price of \$.926667 per share of Common Stock to be issued upon the exercise of the warrants(s) evidenced by such certificate(s). Payment of such exercise price must be made in cash, by certified check or official bank check, by wire transfer, or by any combination of the foregoing.

The effectiveness of this Registration Statement is required to be continuously maintained by the Company until the earlier of (i) approximately two years following the initial effective date of this Registration Statement (August 28, 1992) and (ii) 30 days subsequent to the date on which the Company sends written notice to the registered holders of the Public Warrants that less than five percent of the originally issued Public Warrants remain unexercised, and, that as a result, the effectiveness of this Registration Statement will terminate 30 days following such notice.

LEGAL MATTERS

Gibson, Dunn & Crutcher, San Diego, California, counsel to the Company, has rendered an opinion to the effect that the Common Stock offered hereby is duly and validly issued, fully paid and nonassessable.

Item 17. Undertakings.

The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the Registration Statement is on Form S-3 and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Act of 1934 that is incorporated by reference in this Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the offering of the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act of 1993, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing a Form S-3 and has duly caused this Post-Effective Amendment No. 3 to the Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of San Diego, State of California, on the 22nd of April, 1994.
