The reporting person elected to defer receipt of annual cash retainers for service as a director and was credited with CSEs (and fractions thereof). At the end of the reporting person's service as a director, the Company will issue to the reporting person the number of shares of common stock equal to the total number of CSEs credited to the reporting person's account at the time of distribution.
- These securities are restricted stock units that vest 100% on March 4, 2020, and are issued on that date unless the reporting person has elected to defer receipt of the shares until termination of their Board service.
